Department of Mines
Office of Secretary (Mines)

Order

No. 96/381/88/IIR-Mines/373

Whereas Late Shri Joao Hugo Eduardo Sequeira was a holder of erstwhile Mining Concession for Iron and Manganese ore granted under T. C. No. 47 of 05-05-1952 covering an area of 99.8590 ha. of land situated in village of Darbandora of Sanguem Taluka.

And whereas, consequent upon the enactment of the Goa, Daman and Diu Mining Concessions (Abolition & Declaration as Mining Leases) Act, 1987, the above mining concession appearing at Sr. No. 156 of Schedule-I to the Act, 1987 stood abolished and declared as Mining Lease under the Mines and Minerals (Development and Regulation) Act, 1957.

And whereas by an application dated 21-11-1988 Late Dr. Joao Hugo Eduardo Sequeira (deceased concession holder), applied for renewal of mining lease for a period of 10 years.

And whereas, by an Order No. 5/79/89-Mines dated 12-3-1990 the said application for renewal of mining lease was rejected by Secretary (Mines), Government of Goa on account of failure on the part of the applicant to submit the approved Mining plan.

And whereas, by an application dated 18-11-2006 received on 21-11-2006, Mrs. Maria Margarida de Sequeira Fernandes (hereinafter referred to as the "applicant"), claiming to be legal heir and Cabeca the Casal of the estate of Late Dr. Joao Hugo Eduardo Sequeira (deceased concession holder), applied for renewal of mining lease for a period of 20 years over the same area which was rejected earlier.

And whereas, by a notice bearing No. 96/381/88/IIR-Mines/6232 dated 18-02-2008 the applicant was called upon to attend the personal hearing on 27-02-2008, in response to which the applicant attended the hearing. At the time of personal hearing the applicant made written submissions vide letter dated 12-03-2008. The matter was adjourned several times and finally was taken up on 12-12-2008, on which day the applicant

appeared and made written submissions. Whereas in the written submissions, the applicant mentioned that the application is made without prejudice to appeal filed by some Mine owners, presently pending to Supreme Court challenging Goa, Daman and Diu Mining Concessions (Abolition & Declaration as Mining Leases) Act, 1987. And whereas applicant stated that she was not aware about the renewal application filed on dated 21-11-1988 since her father (Mining Concession holder) expired on 17-10-1989, she also stated that the rejection order being passed on 12-03-1990 is a nullity since it was against a dead party as held in AIR 1919 Mad. 685 (690)(DB). The applicant stated that she was one of the legal heirs of Dr. Joao Hugo Eduardo de Sequeira (Mining Concession holder), the said order dated 12-03-1990 cannot be claimed for not having complied with the directions to produce mining plan, because she had no notice at all of the said order. The said order also could not have been delivered to Dr. Joao Hugo Eduardo de Sequeira as he had already expired on 17-10-1989. The applicant informed that as per the said order, it cannot be seen that the notice mentioned as bearing No. 5/79/89-Mines dated 13-12-1989 was not received to her father had already expired on year 1989. Further applicant said in her submission that the order rejecting the application to renew the said mining lease was passed on the ground that the written submission were not filed nor mining plan were submitted. She pleaded that the reason for non-submission is that her father passed on October, 1989. The applicant also stated that the Tribunals performing judicial or quasi-judicial functions must also apply to it. As such the rejection order is a nullity or alternatively does not come in the way of deciding the present application.

And whereas, in argument of above the Director (Mines) stated that the case was rejected by the State Government vide order dated 12-03-1990 and the remedy lies by applicant is a way of revision of said order before Tribunal, Ministry of Mines, (Government of India) within three months of the date of communication of the order, under Rule 54 of MCR 1960, and stated that there are no records of revision application filed by applicant against the rejection order dated 12-03-1990. And in case if the revision application is filed the same has to be produced by the applicant.

OFFICIAL GAZETTE — GOVT. OF GOA

SERIES II No. 25

16TH SEPTEMBER, 2010

And whereas, Director (Mines) stated that there is no weightage in the arguments of the applicant and hence the application dated 18-11-2006 filed by Mrs. Maria Margarida de Sequeira Fernandes cannot be considered.

And whereas, it is seen that the earlier application dated 21-11-1988 was rejected by Secretary (Mines), Government of Goa by Order No. 5/79/89-Mines dated 12-3-1990 and the applicant did not challenge this Order before the Central Government which is the Revisional Authority under Rule 54 of MCR, 1960 the per available record present. As regards the submission of the applicant that Dr. Joao Hugo Eduardo de Sequeira died in 1989 and that the order cannot be served on a dead man, it is seen that when Dr. Joao Hugo Eduardo de Sequeira died, the owner lay on the legal heirs (who are now applicants) to have immediately filed application for substitution as legal heirs, before the Secretary (Mines). This is an established practice as per Law. And if the applicants had failed to do so, the Secretary Mines and his order cannot be faulted on this count. So, to conclude, the only remedy lies by applicant is by way of revision of said order before Tribunal, Ministry of Mines (Government of India) within three months of the date of communication of the order, under Rule 54 of MCR 1960 and hence the matter cannot be agitated before Secretary (Mines), Government of Goa.

And whereas, it is seen that the application dated 21-11-1988 filed for 1st renewal period has been rejected by Secretary (Mines), Government of Goa and this order has not been set aside. In the absence of any order setting aside the order of rejection, the applicant has no subsisting right in respect of the aforesaid lease and consequently the question of considering the application for renewal of a non-existent mining lease, afresh does not arise. Hence the application submitted on 18-11-2006 is liable to be rejected.

Now therefore, I, Raajiv Yaduvanshi, Secretary (Mines), Government of Goa in exercise of the powers conferred upon me vide Notification No. 5/80/89-Mines dated 17-11-1989 hereby reject the application dated 18-11-2006 for renewal of mining lease for further period.

Raajiv Yaduvanshi, Secretary (Mines).

The matter was adjourned several times and finally was taken up on 12-12-2008, on which day the applicant appeared and made written submissions. Whereas in the written submissions, the applicant mentioned that the application is made without prejudice to appeal filed by some Mine owners, presently pending to Supreme Court challenging, Goa, Daman and Diu Mining Concessions (Abolition & Declaration as Mining Leases) Act, 1987. And whereas applicant stated that she was not aware about the renewal application filed on dated 21-11-1988 since her father (Mining Concession holder) expired on 17-10-1989, she also stated that the rejection order being passed on 12-03-1990 is a nullity since it was against a dead Party as held in AIR 1919 Mad. 685 (690)(DB). The applicant stated that she was one of the legal heirs of Dr. Joao Hugo Eduardo de Sequeira (Mining

Concession holder), the said order dated 12-03-1990 cannot be claimed for not having complied with the direction to produce mining plan, because she had no notice at all of the said order. The said order also could not have been delivered to Dr. Joao Hugo Eduardo de Sequeira as he had already expired on 17-10-1989. The applicant informed that as per the said order, it cannot be seen that the notice mentioned as bearing No. 5/75/89-Mines dated 12-12-1989 was not received to her father had already expired on year 1989. Further applicant said in her submission that the order rejecting the application to renew the said mining lease was passed on the ground that the written submission were not filed nor mining plan were submitted. She pleaded that the reason for non-submission is that her father passed on October, 1989. The applicant also stated that the Tribunals performing judicial or quasi-judicial functions must also apply to it. As such the rejection order is a nullity or alternatively does not come in the way of deciding the present application.

And whereas in argument of above the Director (Mines) stated that the case was rejected by the Secretary (Mines), Government of Goa, vide order dated 12-03-1990 and the remedy lies by applicant is a way of revision of said order before Tribunal, Ministry of Mines (Government of India) within three months of the date of communication of the order, under Rule 54 of MCR, 1960, and stated that there are no records of Revision application filed by applicant against the rejection order dated 12-03-1990. And in case if the revision application is filed the same has to be produced by the applicant.

And whereas, Director (Mines) stated that there is no weightage in the arguments of the applicant and hence the application dated 20-11-2006 filed by Mrs. Maria Margarida de Sequeira Fernandes cannot be considered.

And whereas, it is seen that the earlier application dated 21-11-1988 was rejected by Secretary (Mines), Government of Goa by Order No. 5/75/89-Mines dated 12-3-1990 and the applicant did not challenge this order before the Central Government which is the Revisional Authority under Rule 54 of MCR, 1960 the per available record present. As regards the submission of the applicant that Dr. Joao Hugo Eduardo de Sequeira died in 1989 and that the order cannot be served on a dead man, it is seen that when Dr. Joao Hugo Eduardo de Sequeira died, the owner lay on the legal heirs (who are now applicants) to have immediately filed application for substitution

as legal heirs, before the Secretary (Mines). This is an established practice as per Law. And if the applicants had failed to do so, the Secretary, Mines and his order cannot be faulted on this count. So, to conclude, the only remedy lies by applicant is by way of revision of said order before Tribunal, Ministry of Mines (Government of India) within three months of the date of communication of the order, under Rule 54 of MCR, 1960 and hence the matter cannot be agitated before Secretary (Mines), Government of Goa.

And whereas, the application dated 21-11-1988 filed for 1st renewal period has been rejected by Secretary (Mines), Government of Goa and this order has not been set aside. In the absence of any order setting aside the order of rejection, the application, has no subsisting right in respect of the aforesaid lease and consequently the question of considering the application for renewal of a non-existent mining lease afresh does not arise. Hence application submitted on 20-11-2006, is liable to be rejected.

Now, therefore, I, Raajiv Yaduvanshi, Secretary (Mines), Government of Goa in exercise of the powers conferred upon me vide Notification No. 5/80/89-Mines dated 17-11-1989 hereby reject the application dated 20-11-2006 for renewal of mining lease.

Raajiv Yaduvanshi, Secretary (Mines).
